Itinerary Cherry Picking in Mudgee Tour

Day 1. Sunday 1 December 2019: Home – Gulgong

Dinner

We pick you up this morning and make our way through the beautiful Blue Mountains to arrive on the other side at Lithgow. Here we will buy our lunch at the **Lithgow Workies Club**. After lunch we continue travelling west to arrive at the Rylstone Olive Press, an award winning Olive Oil Press Company. We will have a guided tour of the olive press before tasting the quality products.

Next it's off to Lue to visit Lue Pottery, where they make domestic and decorative items from porcelaneous stoneware from materials sourced locally. After a tour of the workshop and demonstration of making the pottery, there will be time to wander through the gift shop and purchase some hand made gifts. We continue travelling west to arrive at our Motel for the next two nights, The Ten Dollar Town Motel to freshen up prior to dinner.

Day 2. Monday 2 December 2019: Gulgong

Breakfast, Lunch & Dinner

This morning after a hearty breakfast we are joined by Des Kelly to take us on a driving guided tour and journey back in time with his fascinating recount of Gulgong's past history. We pass by the Henry Lawson Centre and the former home of Henry Lawson. View the town from Flirtation Hill Lookout, view the Poppet Head and Mining Mural at Red Hill where gold was discovered. He will then take us into the Prince of Wales Opera House built in 1871, for a tour and the show "Tales of the Swag".

The Opera House has a gift shop full of arts and crafts from the local artisans and there will be time for shopping. Lunch is next, and the Ladies from the Country Women's Association will be catering for us. Our last stop today before returning to our motel is to the Honey Haven where we can taste honey and Mead, view bees at work making the honey behind glass and learn how honey is beneficial to our health. Following a talk on their other products, there will also be time to wander through the gift shop. We then return to our motel where you can freshen up prior to dinner or visit the four hotels in town. There are around 130 heritage listed buildings many dating back to the 1820's. Take a walk along the "Symbol Trail". It comprises of 70 tiles, representing the "secret travelers" language. These are placed in a random swaggering pattern throughout Mayne Street and Coronation Park.

Day 3. Tuesday 3 December 2019: Orchard to Home

Breakfast

After breakfast today we say good-bye to our hosts for the last two nights and travel to the Roth Family Orchard where we can pick our own Cherries. Bring your own container, buy a carton there, or purchase pre-packed cherries from the farm shop to take home. After leaving the Mudgee area we travel back over the Blue Mountains towards Sydney and stop to buy our lunch at the **Lithgow Workies Club** to arrive back home to say goodbye at your door after spending a fabulous few days Brian & Mary and with Ezi Drive Coaches.
