Day 02 – Monday 24 November 2025 YOUNG

Breakfast Lunch & Dinner

We start our day's sightseeing in Young with the help of a **local tour guide**. Young is the largest cherry growing area in the Southern Hemisphere with an annual production more than 500,000 cases! At the end of our **town tour** we have **morning tea** at **Wilders Bakery & Coffee Shop**. Next, we call into **Poppa's Fudge & Jam Factory** for a tasting and demonstration. For the sweet toothed there is a huge range of delicate chocolates and tempting lollies as well as their well-known freshly made fudge. All the fudges, jams and chutneys from Poppas Fudge Factory are made in store from fresh produce. From here we head to the **Glencarra Rustic Maze and Country Garden** for lunch. Set on a working property dating back to the 1850s, a visit to the Rustic Maze is like stepping back in time. Immerse yourself in the rich history of the area, explore the unique maze with its hidden treasures and wander through the beautifully maintained gardens. This afternoon we head to Greenethorpe to visit the historic **landra Castle**. landra, in its scale and grandeur, is evidence of a prosperous time in Australian rural history. landra was established by George Henry Greene from 1878 and at its peak landra's 3000 acres was made up of 640 acre individual share farms. Soon after the turn of the century, landra produced the largest yield of wheat for that time - 100,000 bags, worked by the largest workforce seen in NSW of 500-600 men. We'll see the historic stables, church and cemetery and wander its expansive gardens set amongst huge Moreton Bay fig trees.

Day 03 - Tuesday 25 November 202 TEMORA & COOTAMUNDRA Breakfast Lunch & Dinner

Today we will be heading to the small township of Temora that is located about an hour away. Our first visit will be for **morning tea** at the **Temora Aviation Museum** - a public museum displaying military aircraft of historical significance to Australia. The museum has devoted displays of the pilots who have risked their lives flying in defence of Australia. Aircraft here are kept in airworthy condition and flown on a regular basis, making it a memorable aviation museum experience. Next, we are off to visit the **Temora Rural Museum**. There is an extensive Rock and Mineral Museum and a range of working agricultural machinery. The complex also features several reconstructed or replicated buildings, including a slab cottage that was Sir Donald Bradman's first home, a small church, an ambulance station, a country dance hall and a two-storey replica of an old flour mill with working machinery, including the ten-tonne, 156 hp twin cylinder diesel engine which has been restored. This will be our lunch venue, and we can spend time looking through the collection before departing for Cootamundra. Sir Donald Bradman was born here in 1908. He and his parents moved to Bowral three years later. We stop off at **Bradman Cottage**, his birthplace which now houses

Bradman memorabilia and interesting material on the history of Cootamundra. While on the cricket subject, we will also see the Captain's Walk, a collection of bronze sculptures of Australian test cricket captains. A life size statue of Sir Donald Bradman takes pride of place in the park. After an interesting day we head "home" to our accommodation with time to relax before dinner.

Day 04 – Wednesday 26 2025 November CHERRY TIME IN YOUNG Breakfast Lunch & Dinner

Following breakfast, we head to the **Hawkesbury Kelpie Farm** located just south of Young. Here we see a demonstration of working Kelpies that are considered the backbone of rural Australia and are one of the most important aspects of farming today and yesteryear. Our lunch stop is at the **Whichcraft Coffee Cottage in Harden** and we can take a look at the **Art Silo Mural** before leaving town. Our final visit for the day is at **Allambie Cherry Orchard** where we are given a talk about the Cherry Orchard, have **afternoon tea** with Cherry Pie and can purchase our Cherries directly from the orchard.

Day 05 - Thursday 27 November 2025 YOUNG TO HOME Breakfast & Lunch

We farewell Young and make our way to Goulburn for **morning tea** and a tour of **Garroorigang Historic Home**. Filled with a rare collection of 150 years of colonial and Australian artefacts, the homes history and contents reflect its time as a Teamsters Inn on the route to the goldfields, a private school for gentlemen's sons and today a classic example of a private residence in the Victorian era. Our final stop is in Marulan at the **Meridien Café** for lunch, then we head for Sydney and arrive back this afternoon to say goodbye at your door after a fabulous five days with Brian and Mary and Ezi Drive Coaches.
