The Itinerary

Day 1 Sun 28 Nov 2027 Home – Lithgow, Portland

Dinner

Following our morning pick-ups, we farewell Sydney and travel west along the M4 Great Western Highway to Lithgow, for lunch at own expense at the **Lithgow Workies Club**. After lunch we visit the **Mount Piper Power Station Energy Expo**. Here we will be able to enjoy exhibits, models, displays, photographic and printed information, videos and touch screens and gain an understanding of the way NSW electricity is produced and distributed. From here you can relax and enjoy the drive via Mudgee to Gulgong for our accommodation for the next 4 nights at the **Ten Dollar Town Hotel**.

Day 2 Mon 29 Nov 2027 Gulgong

Breakfast, Lunch, Dinner

The heritage town of **Gulgong**, along with Australian poet Henry Lawson appeared on the Australian Ten Dollar note until 1993. Today we will learn about the town's Gold Rush history starting at the **Gulgong Holtermann Museum**. Within these restored buildings an interactive educational and tourist facility has been created, based on the renowned **Holtermann Collection of photographs** taken during the town's "roaring days" of the 1870's. Enjoy time here to look through the displays, then we head to the **Miners Cottage Tea Rooms** for morning tea before a visit to the **Red Hill** mining precinct where Gold was first discovered in Gulgong. The **Gulgong Gold Experience** has been excavated into the slopes of Red Hill and serves as the information hub for the facility and houses detailed audio and visual displays of Gulgong's gold history. Lunch today is at the local **CWA Hall** and then it's time to visit the Henry Lawson Centre followed by the Prince of Wales Opera House and the Gallery Gulgong.

Day 3 Tue 30 Nov 2027 Mudgee

Breakfast, Lunch, Dinner

Following breakfast, we depart Gulgong and head towards **Mudgee** for our morning visit to **Honey Haven**. Enjoy some **tastings and a talk** before our morning coffee, then it's off to Arts and Crafts Mudgee at the **Mudgee Railway Station** proudly showcasing a wide variety of handcrafted works made right here in the Mudgee region. Lunch is at the **Woolpack Hotel**, then we visit the **High Valley Cheese Co** for a **talk and tasting** followed by the **Spencer Cocoa Chocolate Factory** for an insight into how chocolate is made and we can taste the distinctive flavour of one of Australia's best single-origin chocolates, made from freshly roasted Vanuatu cocoa beans. After a **talk and tasting** we return to Gulgong.

Day 4 Wed 1 Dec 2027 Hill End

Breakfast, Lunch, Dinner

Formerly known as Hawkins Hill, Hill End was settled in 1851 and is now under the control of the National Parks and Wildlife Service. It was at Hill End in 1872 that the famous **Holtermann Nugget**, the largest gold specimen ever discovered in Australia was unearthed. Most of the surviving buildings in the town date from 1872 and many - including the district hospital (now a visitor centre and museum), the Royal Hotel and some of the shops - have been restored in recent years. We meet a local guide who will take us on a tour including the museum, the blacksmiths shop and stables, the time tunnel and a visit to the underground mine! We have lunch at the **Hill End Micro Pub**, then head to **Gooree Park** for a **tour and wine tasting**. As one of the district's most historic and picturesque properties, Gooree Park today has an enviable reputation as one of the country's leading thoroughbred breeding grounds and with the largest vineyard in the Mudgee region, more recently is gaining attention turning our passion for excellence to crafting the thoroughbred of wines.

Day 5 Thu 2 Dec 2027 Home

Breakfast

This morning we farewell Gulgong and head to the **Roth Family Orchard** just outside Mudgee. Here we can pick cherries straight off the tree, or purchase them already packaged. It's now time to start heading home and we stop for lunch in **Lithgow** (own expense) then arrive back after a fantastic tour with Brian and Mary from Ezi Drive Coaches, Holiday Coach Tours.
