The Itinerary

Day 1 Wed 7 July 2027 Home to Bathurst

Dinner

Following our morning pick-ups, we farewell Sydney and travel west along the Great Western Motorway M4. We travel through the Blue Mountains to the other side and stop in Lithgow for our lunch break at the Lithgow Workies Club. (At own cost). After lunch we arrive in Bathurst and visit **Chifley House** – the home of former Australian Prime Minister Ben Chifley and his wife, Elizabeth. The house contains its original collection of household furnishings and personal effects dating back to when the Chifley's first occupied the house in 1914. Following our tour we look at **The National Motor Racing Museum** which celebrates the rich history of Australian Motor Sport, with a particular focus on Bathurst and Mount Panorama as the spiritual home of Australian motor racing in Australia. Next, we check into our accommodation that overlooks the famous Bathurst car racing circuit before dinner at the motel.

Day 2 Thu 8 July 2027 Abercrombie House

Breakfast, Lunch, Dinner

Following breakfast, we make our way to the **Bathurst Visitor Information Centre**. Here we are joined on the coach by a **Local Guide** who will introduce us to the town, one of Australia's oldest inland cities. The Victorian era streetscape is relatively intact and there are many impressive buildings. We have morning tea at the **Harvest Café & Store**, then arrive at **Abercrombie House** for a tour followed by a special **Christmas in July** themed lunch. Built in the 1870s, the home contains some 40 rooms, and the beautiful gardens are listed as part of the National Estate. With its mixture of Gothic and Scottish baronial styles Abercrombie House has been acknowledged as one of the finest historical mansions in Australia. We finish our day with a visit to **Miss Trails House & Gardens**, then head back to the motel.

Day 3 Fri 9 July 2027 Bathurst

Breakfast, Lunch, Dinner

This morning we visit the award-winning **Bathurst Rail Museum**. Here we explore the stories of local people connected to the Railway, past and present, who have contributed to making Bathurst the thriving City and community it is today. We have morning tea at the **Bathurst Riverside Café**, then head to the **Australian Fossil and Mineral Museum**. One man's passion has become Bathurst's greatest treasure – The collection of Professor Warren Somerville is world class with highlights from the mineral collection including crystals from over 100 Australian mine sites, 2,000 million years old garnets, as well as diamonds, sapphires, rubies, emeralds and other gems from around the world. The collection also includes Australia's only full tyrannosaurus Rex skeleton. Lunch is at Panthers Bathurst and this afternoon we visit **Rankin Cottage Crafts and the Home Path** before returning to our motel.

Day 4 Sat 10 July 2027 Zig Zag Railway and Home

Breakfast, Lunch

Leaving our hosts, we take a sightseeing drive around the famous **Mount Panorama Motor Racing Track** and head to Lithgow for morning tea prior to boarding the **Zig Zag Railway Train**. Totally destroyed by bushfires, volunteers have worked tirelessly to bring the iconic railway back to life. The highlight of the Zig Zag Railway trip, apart from the magnificent scenery, is the sight, sound and smell of a hard-working steam locomotive which is sure to bring a touch of nostalgia to those who can remember when the nation travelled behind steam. It's now time for lunch and we head to Mount Victoria and stop at the **Victoria and Albert Guesthouse**. After lunch we continue our journey east and arrive home in the afternoon and say goodbye after a fantastic Christmas in July tour to Bathurst with Brian and Mary from Ezi Drive Coaches, Holiday Coach Tours.
